DEAR FESTIVAL-GOERS WHERE IS YOUR MONEY GOING?

YOU GUESSED IT!

**THE UNIVERSITY OF EDINBURGH IS THE
LARGEST FESTIVAL AND FRINGE VENUE OWNER.**

It is also one of the UK Universities most financially entangled in Israel's genocide of Palestinians in Gaza and the West Bank, named and shamed in UN reports. The university holds over £50 million worth of investments linked to the Israeli military and occupation.

MEANWHILE:

The university management claims a financial crisis to justify cutting an estimated **2000+ jobs**. 1000 jobs have already been lost. **The university has no deficit and is richer than ever before.**

Throughout this, senior management has ignored all democratic processes designed to hold them accountable: university senate, the student union, and staff union have all repeatedly voted for divestment, financial transparency, and no confidence in senior management. Management refuses to budge.

AGAINST MASS REDUNDANCIES

PROFIT OVER PEOPLE.**
